

# TORLYS RECLAIMÉ LAMINATE

## timeworn. reclaimed charm.

The Reclaimé Collection features unmatched realism and the visual charm of a timeworn reclaimed hardwood floor. Choose from planks reminiscent of vintage wood.

White Wash Oak  
QS-UF 1667

### RECLAIMÉ LAMINATE

Enjoy the visual charm of a timeworn, reclaimed hardwood floor. The expansive width and length of each plank delivers unmatched realism, while premium 12mm thick planks help minimize sound in the room. Included in the collection are reclaimed white wash oak that, through superior technology, achieves a heightened level of realism and other oak styles that feature the rich character of rustic planks reminiscent of vintage wood.

\*High Shade Variation \*\* Random width visual and high shade variation

TORLYS is a member of the Canada Green Building Council, an association dedicated to the design and construction of green buildings in Canada.

These TORLYS Laminate Floors have earned the North American Laminate Flooring Association (NALFA) Certification Seal by passing a series of rigorous tests designed to evaluate the floor's performance, durability, strength and overall quality. You can be assured that you're getting the best quality the industry has to offer.

#### WHY SMART LAMINATE?

Superior performance is built in to every TORLYS Smart Floor:

- A transparent overlay of extremely wear resistant melamine resin and aluminum oxide that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping when 30-60% humidity is maintained. No other joint outperforms TORLYS Uniclic® Joint.
- Move It and Re-use It—every TORLYS floor can be disassembled and re-used in another room or home.

#### STARTS BEAUTIFUL, STAYS BEAUTIFUL

TORLYS Reclaimé Laminate is a stunning floor created with minimal environmental impact. TORLYS Smart Laminate is easy to install and maintain, and designed for long lasting beauty.

#### SMARTER USE OF NATURAL RESOURCES

Do more with less — TORLYS Laminate Floors are made in Europe and North America. North American produced Laminate floors contain no less than 74% recycled and fast growing softwood from managed forests for its high density Smart Core.

#### AC RATING: AC4

Flooring is fit for commercial operations with standard amounts of foot traffic such as a small shop or office.

#### AC RATING: AC3\*\*

Flooring is durable enough for general home use in all traffic areas, and can be used in a professional setting with light foot traffic.

#### SMART UNICLIC® JOINT TECHNOLOGY

TORLYS Smart Uniclic® Joint Technology has one of the strongest possible joints in flooring today. Constant lower lip pressure creates the tightest joint and is tested to withstand extraordinary joint stress —more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks. The joint is also milled to 1/1000 of an inch for the most exacting fit.

#### HEALTHY HOME

TORLYS Reclaimé Laminate is CARB 2 (California Air Resources Board) compliant and meets the Healthy Home requirements set by the European (E1) and California Dept. of Public Health Services Standard Practice for The Testing of Volatile Organic Emissions from Various Sources Using Small-Scale Environmental Chambers, referred to as California Section 01350.

#### TORLYS BULLDOG™ EASY PLANK REPLACER

TORLYS Bulldog™ Easy Plank Replacer allows you to replace a damaged plank, not your entire floor. No glue. No nails. No staining. You can fix major mishaps quickly and easily, and renew your floor without sanding or refinishing.

\*\*UF1548, UF1577, UF1578 and UF3134 are AC3. All other Reclaimé products are AC4.
